Protective Order of Elks  
Fort Collins Lodge #804

Charity, Justice, Brotherly Love  
and Fidelity

Volume 51 Issue 12 December 2015

Let me start this month's letter by thanking each of you that wished me well and kept me in your thoughts following my recent motorcycle accident. I was genuinely touched to hear that I was mentioned during Sickness and Distress at our Lodge meeting and also at the Greeley meeting. How can you not heal quickly when you have so many of the 'Best People on Earth' in your corner? Thanks again!

This past weekend I traveled with our Leading Knight, Larry King, to the fall quarterly in Grand Junction, CO. Heading west up 1-70 I got my first taste of winter this season. It didn't take long for winter to catch up to us here in Fort Collins as we woke up to our first snow this week. While there, we were able to visit the Grand Junction Lodge and were treated to a wonderful tour of their building. This visit should be a must for all Elks members traveling to the western slope! It is a magnificent building with early 1900's architecture and features one of the most stunning Lodge rooms I have ever seen, with a stained glass dome in the center and stained glass 'Tablets of Memory' encircling the room, it's truly a sight to behold! We were allowed to snoop around in the attic hoping for a chance to meet their resident ghost, Chuck, but unfortunately he did not make his presence known that evening. We were also welcomed into the Glenwood Springs and Idaho Springs lodges and treated with tours and fraternal hospitality. I would recommend stopping in for a visit as you travel the I-70 corridor. During the General Session Sunday morning, Rick Gathen, the Grand Lodge Membership/Public Relations Manager, gave a riveting presentation on attracting and keeping new members, getting members involved and strengthening our individual lodges. I hope we can put some of his ideas to use in Fort Collins as we continue to build our membership and move into the future. On an all too familiar topic to us in Fort Collins, Rick spoke about many of the aging Lodge buildings across the country and how many are becoming financial liabilities for the lodges. In need of renovation, with a high cost to maintain and in some cases a need to relocate the lodge, it seems inevitable that more of our grand old buildings may start to disappear. All the more reason to take advantage of your membership in the Elks and visit these lodges as you are traveling throughout Colorado and the rest of the country.

As we head into the last quarter of our Elks year, it is not too early to start thinking about our officer core for 2016-2017. I encourage all members, new and old alike to stay involved in the lodge. Volunteer for a committee, attend meetings and events and help 804 grow stronger. If you have an interest in serving as an officer of the lodge, let one of the current officers know. The final quarterly meeting of the Colorado Elks Association will be held in Colorado Springs the weekend of January 29th. Many of the breakout sessions provide invaluable information on Elks Committees, Activities, Major Projects, Officer Training, Leadership Development and many other topics. Consider attending to learn more about the Elks, meet members of other lodges and strengthen yourself as a member of our great order.

I hope to see you all at the Lodge!

# ELKS 804 LEGACY PROJECT

Legacy – a gift from our predecessors  
~(Webster’s Collegiate Dictionary).

Fort Collins Elks Lodge 804 is continuing to add bricks to our front entry. The Legacy brick display is a visible remembrance of those Elks who preceded us in service to the Order and a link to current members continuing to fulfill their obligation. The Legacy display will also serve to invite new members to join us in the honorable work we do in serving our community.

The current cost for inclusion of a named member is \$100.00 per brick with all donations designated for Lodge 804 general expenses. Contact Joyce Bonanno at the lodge to order a brick.

## From the Station of the Loyal Knight

Holiday Greetings from the Loyal Knight's station. Our House Committee continues to refine our many duties to better serve our members. If you happen to stop by the Lodge during the day you might run into Sallie Raynalds, our new custodian. Sallie has done an excellent job at keeping our Lodge Home clean, neat and well supplied. We thank her for her efforts. Also, we have recently added Heidi Blasenak to our bar and server staff. Heidi's pleasant smile, friendly manner and efficient service are a welcome addition to Lodge 804. With the coming season we will be adding some "holiday" beverage offerings at the bar. Also, look for some new menu items and appetizers coming out of the kitchen. Feel free to let us know what you enjoy as we strive to make 804 a premiere Lodge.

P.S. Note the new additions and signage in the rear parking lot. Fraternaly,

Tony Bonanno – Loyal Knight – BPOE 804

Skip Walker Receiving Elk of the Month for October

**King Soopers and Safeway  
Have a Deal for Our Lodge**

Member Skip Walker recently suggested a great idea to bring in extra money for our Lodge, and it takes very little effort on the part of members. Just shop as you normally do at King Soopers or Safeway and the company will put 5% of your purchases into an account to be distributed to #804 once every four weeks. It doesn't cost you a penny – AND you don't forfeit any of the rewards that you get when you use your store cards. Every purchase still goes towards gas points or other rewards.

You simply use cash, debit or credit card to reload your #804 card when you get to the register but before you check out. Then you swipe your King Soopers or Safeway card and present your #804 card to pay. It's that simple.

All we need to do is spend \$5,000 a month collectively from each store in a four week period to earn \$250 for our Lodge. Just think, if members averaged \$200 in grocery spending a month, it would only take 25 members using their cards to earn us \$250 each month!

Cards will be available for purchase on Wednesday and Friday nights or in the office from Secretary Joyce beginning this month. Each card has been loaded for \$10 and that is the cost of the card for you to get started. Just add the amount you think you are going to spend on each shop you do. Any excess on the card remains, and you just reload each time you shop.

It's a no brainer folks! It couldn't be easier to support our Lodge and help us do the great work in the community.

Larry King

**Meat Bob Petri**

Our chef extraordinaire, Bob Petri, is offering for sale small cuts of frozen top sirloin in varying weights. These are the very low-fat trimmings from the great sirloin steaks served at the Lodge. It would make excellent stews, fajitas, stroganoff, chili, etc.

Bob is offering to sell this meat at his average cost price of \$4.50 per pound. That's about \$1.00 less than Safeway's advertised special price of \$5.49 per pound and King Soopers \$5.99 per pound for stew meat.

So stop in during the day and speak with Bob about this great deal. Hurry, quantities are limited.

## Secretary Notes – December 2015 Echo

Happy Holiday Season to you and your families. It does not seem possible it is December 2015. Always remember those less fortunate than us and do something, no matter how small, to help someone in need.

Thanks to Barb and Larry King and Bob Petri for all of the work they have done on our kitchen inventory and to Matt Snodderly on the bar inventory. Chris and Terri Lion, Linda and Skip Walker, Joe Lucero, Tomas and Lina Gonzales, Linda and Ron Hefner, Mike Sutton, Tony Bonanno, Jean and Bill Rogers, Kathy Novosad, Ralph Williams, Barb and Larry King, Richard Rein, Jim Chance, Al Dillman, and Al Minatta have worked hard this past month to get the Lodge, lawn and the parking lot in good order. Ralph Jordan – thanks for all of your volunteer time. Hugh Shepherd, once again, you out did yourself on the Mystery Trip. For those of you who have not heard, we went to Glenwood Springs on the train – what a great time we had! I heard Hugh is already planning the next one. If you have not noticed, we now have the corner stone from the downtown lodge placed in front of the Mulberry Lodge. Tony Bonanno, Tomas Gonzales and Joe Lucero thanks for your efforts to get this accomplished. Thanks to Cory Shortridge for making sure we had the equipment to move it. The Entertainment Committee headed up by Leslie Barela has been working hard on the Shopping Spree, Children's Christmas Party and New Year's Eve Party. Thanks to everyone on this committee who takes their time to get involved. We can always use more help. Let Leslie know if you are interested. Gary Riedel works on our Echo, posters and awards – I appreciate all of his help. Thanks to the members who helped with the CSU Concession Stand. We made money for the Lodge and for our Elks Help Special Needs projects. We can always count on Charlie Thomas and Al Dillman to be here on Friday nights to run the Queen of Hearts. Richard Rein has been making sure our bar towels are clean. For the members who come out on Wednesday & Friday nights and support our restaurant, members who work the Sunday breakfasts, cooks and servers on Lodge nights I appreciate all you do for the Lodge and Club. Bob does an excellent job with the menu items he prepares. For those of you who have not been down for lunch or Friday night dinners, stop by. You will not find a better meal at a reasonable price any place in Fort Collins.

We had our yearly District Deputy Visit on November 17, everything was in good order. Thanks to Bob Petri for the wonderful dinner he prepared for our visitors and all of the officers who worked so hard to make sure we were in compliance with everything. A special thanks to Shelly Castillon for her diligence in keeping our financial records in good order.

Denise Clynes did not find her member number in the November Echo so she missed out on \$10.00 certificate. Kathy Lucero won the "Where Is This" contest for November. The location of the picture was the east side of the Safeway building on Remington and Mulberry. Congratulations Kathy! 8123

We need your support to make your Lodge and Club profitable. Come down for a drink after work, attend the Wednesday night buffet and Friday night dinners. Propose a friend or family member to join the Order of Elks. We are a great organization and we do a tremendous amount of charity for our Community and have fun while we are helping those in need. Be sure and attend Lodge Meetings, this is where you meet members and find out what is going on in the Lodge.

As I mentioned in a previous Echo I am looking for someone to take over the responsibility of doing the Echo. If you are interested, let me know. Have a blessed holiday season and a Happy New Year
