Charity, Justice, Brotherly Love and Fidelity

Greetings Brothers and Sisters

On April 26, 1977, I was out for an early morning jog around Grandview Cemetery when I heard what sounded like the firing of the CSU football game cannon. What was different, though, was that I felt the ground shake and a concussion of the air. Within just a few minutes I heard sirens and was certain there had been an explosion. It wasn't until later that morning I learned of the blast that destroyed a couple of downtown businesses and damaged many others including our old Lodge building. Because the blast occurred just before 7:30 in the morning, no one was killed or seriously injured. It blew out the west wall of the Lodge, shifted the structure on its foundation and brought down ceilings. Brother Fred Franz, PDDGER, told me of his arriving on the scene that morning and finding the Flag from the Lodge hanging outside of a large hole in the back of the building. Being a patriotic Elk, he made his way into the badly damaged building and righted the flag back into the Lodge Room. That's dedication!

The accumulated Elk artifacts and records from thirty-six years of occupancy in that building needed to be removed and stored elsewhere. Our Elk Officers met on noon that day and every day for weeks to come to deal with that issue and find a temporary meeting place. A remodeling plan had already been approved the previous month, but now Officers had to plan for major reconstruction of the Lodge.

Through the generosity and fellowship of the Fort Collins Masons and the International Order of Odd Fellows, our members were able to use those facilities for meetings and social activities for the next twenty months. Lodge Officers, members, and their families worked tirelessly during the reconstruction and on December 28, 1978, the first meeting was held in the new building.

It does not surprise me that our past leaders and members persevered through this minor disaster, carrying out the business of our Lodge during the reconstruction. It is also no surprise to me that less than two months later, Lodge #804 held its annual Flag Day celebration. Under the chairmanship of PER Lee Skrdlant, a portable bandstand was borrowed from the City and Boy Scouts were organized to present a program and a Flag Burning Ceremony. It is a greater testament to the dedication and character of Elks to carry on this great Elk tradition.

Being an event that is especially close to his heart, PER Hugh Shepherd has organized a wonderful program commemorating the history of our Flag for Tuesday, June 14, 2016. On June 14, in 1777, the Second Continental Congress adopted the Stars and Stripes to be our official Flag. In 1907, the Order of Elks designated this date as Flag Day and, in 1911, made it mandatory for every Elks Lodge in the United States to have a Flag Day ceremony.

I urge all members, their family and friends to attend this patriotic event honoring our Flag. After all, "The Order of Elks is distinctively American. Linking the destiny of our Order with the destiny of our country, we have made its Flag the symbol of the crowning virtue."

Fraternally,
C. Larry King

From The Station of the Leading Knight

Having recently attended the Colorado Elks Association Spring Quarterly meetings in Denver, I can easily report that Fort Collins Lodge 804 has much to celebrate. We were cited at the convention as one of the few lodges in the state to have achieved positive gains in membership during the past year. We were also recognized for exceeding our Elks National Foundation per capita goal.

As co-chair of the House Committee, my focus at the convention was to attend the Business Practices meetings where the bar, food services and management were the main topics. As with many lodges, our cost of goods has gone up significantly so the need to adjust food and beverage prices to reflect these changes encouraged a spirited discussion. Although we continue to work on this problem at 804, some lodges in our district have discontinued their food services and/or have gone to volunteer only staffing in their bars and kitchens. One specific presentation noted that many Elk members do not understand that Lodge and House funds are not allowed to be co-mingled. Lodge funds are designated for charitable purposes while House funds are for member social functions. The speaker noted that social functions are important to the membership, but should be organized to be self-funded. After all, the primary purpose for becoming an Elk is to be charitable to those in need in our communities. Other topics on the agenda covered menu changes, using staff effectively, public relations, and member activities. In the coming weeks, I'll be meeting with our board and staff on these topics. I welcome meaningful suggestions and will report back to the membership on our progress.

ELKS 804 LEGACY PROJECT

Legacy – a gift from our predecessors
~(Webster’s Collegiate Dictionary).

Fort Collins Elks Lodge 804 is continuing to add bricks to our front entry. The Legacy brick display is a visible remembrance of those Elks who preceded us in service to the Order and a link to current members continuing to fulfill their obligation. The Legacy display will also serve to invite new members to join us in the honorable work we do in serving our community.

The current cost for inclusion of a named member is \$100.00 per brick with all donations designated for Lodge 804 general expenses. Contact Joyce Bonanno at the lodge to order a brick.

Reflections

Here we are, already publishing the ‘double issue’ of the Echo. With a combined issue for June and July, by the time the next issue goes to the printer the Bronco’s will be playing preseason football games! That reminds me I’d better get started on this year’s Super Bowl Pool!

Don’t let the hectic pace of summer be an excuse not to pay attention to Lodge events and activities which happen in the next few months. Summer ‘s a busy time for everyone: so much to do, so many places to go and only three short months to get in all the warm weather fun. Yet, despite the chaos of the season, it will be business as usual at the Lodge with the exception of having only one Lodge Meeting each first Tuesday during the summer months. So, when you’re not traveling, try to make a meeting, drop in for a quiet lunch, a Wednesday night Buffet or a Friday dinner. Check the Echo and emails that detail scheduled events throughout the summer.

I particularly want to remind everyone about our Flag Day Ceremony the evening of June 14th. This has become a signature event for our Lodge and it’s always my hope that, each year, it will be better attended than the year before. Come out and enjoy an evening of patriotism and friendship at the Lodge. You’ll be glad you made the time!

Enjoy your summer and be safe out there! I hope to see you at the Lodge soon.

Brother and Sister Elks-

Can you believe that Summer is already upon us? Join us for our Second **Ladies' Bunco Night** for Thursday, June 2, 2016, at 6:30 p.m. Sign-up is on the Bulletin board in the bar, payment needs to be made by May 19. This is open to members and their guests - so if you'd like to bring someone, make sure they are available, sign up for both of you and make payment! Keep your eyes on the bulletin board for new Bunco Dates!

We are looking forward to a new fundraiser for our charities! We will be selling Old Chicago Pizza Pals – they will be for sale for \$11 each and you can redeem them at participating Old Chicago Restaurants for a pizza valued up to \$25! This card is only good toward the purchase of a pizza, and makes a great gift or easy and delicious dinner! There will only be a limited amount, but once sold, they will bring \$500 to our charities!

Lastly, in the spirit of Elkdom, I challenge each of you to attend something you wouldn't normally attend. We have a lot of members who routinely attend certain events at our lodge, such as Friday Night dinners or Lodge Nights, but I encourage you to step out of your box and come to something new! You may find a new friend, activity or hobby here at the Elks! We have Cribbage on Wednesdays, Bingo on 1st and 3rd Fridays, Poker on various evenings, Breakfasts the 1st and 3rd Sundays, Bunco on special dates (posted on bulletin board) and various events that you will see posted around the lodge. Come join us and bring your friends!

Summer's on its way and there's some great activities ahead so mark your calendars. The Elks Lodge 804 Golf Tournament happens on Saturday, July 23, at City Park Nine. It's a shotgun start for all teams at 8 a.m. It's also a scramble so we should finish by around 10:30 a.m. The cost per player is \$50 which includes green fees, your share of the cart, one drink off the course cart and money for the winning team prize. After the tournament, there will be a BBQ at the Lodge. I've offered my grilling skills for that and I'm asking participants to bring side dishes. You don't have to put a team together and you can sign up as a single (or duo). Members can bring one non-member guest to play. There's a sign-up sheet on the bulletin board near the bar. Names have to be on the sheet and money turned into the bar by July 1st in order to play.

Remember to schedule in the Car Show on Saturday, August 13 and Elks Member Family Night BBQ, Wednesday, August 10. More details to follow.

The next Entertainment Committee meetings are on Tuesday June 28 and July 26th at 5:30 p.m. Join us and help plan the next go-round of fun events.

Secretary Notes – Summer 2016

Picnics, road trips, camping, boating, fishing and just relaxing in the back yard – summer is here! If you are traveling out of town you can visit other Lodges, stop in and introduce yourself. It's fun to visit Lodges in other communities and see what they are doing in terms of activities and charitable work.

At the first meeting in June we will be voting on the Grand Lodge Resolutions for 2016-2017. Then, in July, Exalted Ruler Larry, his wife Barb, Mike and Tammy Sutton, and Tony and I will be attending Grand Lodge in Houston to represent our members.

I'm sure you've noticed the changes in the Echo and I've heard many positive comments. Kay Rios and Gary Riedel have spent a lot of time and provided many suggestions to improve the Echo. Thanks to Carmen Mendoza and her team of "collators" for helping get the Echo mailed out in a timely manner. 8151 Speaking of change (dictionary definition of change: "to make a difference, alter; modify, transform"), we have more changes ahead. In the near future, The Board of Directors, in conjunction with Club Manager Bob and Bar Manager Matt, will be making positive changes to improve our food menu. I am excited and know all of you will appreciate some different options.

If you have not paid your dues, please pay them as soon as possible. We do accept half dues. First half dues for Regular members is \$93.00 and half dues for Life members \$55.00. The remainder is due by October 1st. Many Lodges post delinquent members in their newsletters. I do not like this approach and prefer to work personally with our members. Our Membership Chairman, Mike Sutton, will be contacting you in the near future.

Other Notes:

1. To avoid wasting food, we will be requiring reservations and payment a week in advance for our events.
2. Past District Deputy Grand Exalted Ruler, Fred Frantz, found his membership number in the Echo and received a \$10.00 gift certificate at the Lodge.
3. Please remember no outside food or beverages are allowed in the Lodge.
4. With summer approaching, remember that the parking lot is not part of our Liquor Premises. If you want to have a drink outside, please stay around the area of the Pavilion. Help protect our liquor license. Please do not drink and drive. If you've imbibed a bit too much, we will gladly call a cab or ask a brother or sister Elk to take you home.

Have a great summer and be safe.

Fraternally, Joyce

Student Support through Scholarships

The Elks Lodge continues a long standing tradition of supporting outstanding students through its annual scholarship program. This year 70 applications were received and, according to the Scholarship Committee, these were not easy choices since all of the applicants showed incredible promise. It was, however, necessary to narrow this down to five academic scholarships at \$2,000 each, two Colorado State University scholarships at \$500 each, and three vocational education scholarships at \$600 each, totaling \$12,800. And the winners are:

Academic Scholarships (\$2,000):

▶ Gillian Breuer, Poudre High School, who ranked number one out of 413 students at Poudre High, also received a \$1,000 scholarship from the Elks National Foundation. Her proposed area of study is international business.

▶ Grace Feng ranked number one out of 469 students at Fossil Ridge High. Her proposed major is neuroscience. Grace is also a candidate as valedictorian for her class and is a talented percussionist and piano player.

▶ Xandria Amash, a Rocky Mountain High student, will follow a dual degree in biomedical engineering and chemical and biological engineering. She will also pursue a performance based minor in music.

▶ Mackenzie Bode, currently at Fossil Ridge High, was Academic All State Honorable Mention and All Conference 2nd Team. While she has not yet determined her exact major, it will be related to aviation, equine and business.

▶ Sydney Wewerka says she will, as she leaves Poudre High, study environmental engineering, art or marine biology. Sydney is an ambassador of the Sexual Assault Response Team.

Colorado State Elks Association Scholarships(\$500):

▶ Abigail Nay, a student of Fort Collins High, proposes a double major of international relations and Spanish. An exceptional vocalist and active Girl Scout, she "has a passion for securing women's rights."

▶ Carolyn Wendt, a Fort Collins High student, will work toward a bachelor of science in Interior Design. Her writing ability and thought process impressed all of the committee members. Caroline runs her own business, A Place for Grace, a non-profit vendor/donor business dedicated to empowering women.

Vocational Scholarships(\$600):

▶ Kali Braschler will leave Poudre High to study nursing with a focus in neurology. She is a member of the National Honor Society of High School Seniors.

▶ Ryilee Dinkel-Swanson will graduate from Centennial High School to follow her interest in Forensic Science at Front Range Community College. She is interested in working with hands-on lab work as she explores the role of chemistry in solving crimes.

▶ Joanna Becerra will pursue a career in science as she leaves Fort Collins High. She has spent many hours as a volunteer at the CSU Veterinary Teaching Hospital where she has been praised for her strong work ethic.

The Elks Lodge #804 is proud to support these incredible students as they continue to make their way into their next impressive endeavors.

Elks National Foundation (ENF)

As an avid ENF supporter, I started wondering where Lodge # 804 ranked in comparison to the other Lodges in Colorado in terms of per member donations. Information, as compiled by The Colorado Elks Association, answered my question. Lodge year 2015-2016 revealed the following:

1. Greeley - \$62.058 per member
2. Arvada - \$21.721 per member
3. Englewood - \$21.567 per member
4. Evergreen - \$20.277 per member
5. Telluride - \$17.517 per member
6. Fort Collins - \$16.552 per member

I was proud to learn Lodge # 804 achieved the 6th highest per member donation amount for the 2015/2016 year, out of 55 Colorado Lodges. Way to go Fort Collins Elks Lodge!!!

I have to admit since I consider our Lodge to be the best in the State, 6th place was not fully acceptable so I started calculating what additional contribution amount per member it would take to move even higher in the rankings.

I found that an additional 97 cents per member would have put us in 5th place, an additional \$3.73 would have moved us to 4th place, and an additional \$5.20 per member would have jumped us all the way to 2nd place. (We will ignore looking at 1st place as that Lodge has a wealthy benefactor who insures it's the top in the State each year).

For 2016/2017, I encourage all members to join me in going the extra mile to make Lodge # 804 a force to be reckoned with by reaching a goal of \$20.00 per member. One way we can accomplish part of this is for each member attending a lodge meeting to buy at least one additional raffle ticket each meeting. Based on an average attendance of 45 members at Lodge meetings, one additional ticket per member could result in increasing our average by as much as \$2.00 per member.

I also encourage you to include a donation to the ENF with your annual renewal. Additionally, when you receive an ENF mail request for a mid-year contribution, consider some small amount, or give it to Joyce to include in what she sends in periodically. Remember: everything counts.

As the article in the May 2016 ECHO stated: "Your gift supports ENF's mission to help Elks build stronger communities and you will assist us in reaching our Lodge's per capita goal."

Respectfully submitted:

Laradon News

Laradon, a private, non-profit organization founded in 1948, was Colorado's first alternative school for children with disabilities. It has been the State Major Project of the Colorado Elks Association since 1950. With the Colorado Elks support, Laradon has grown to become one of the most comprehensive educational, vocational, residential and therapeutic programs in the country for children and adults with developmental disabilities.

Laradon is now participating with GivingFirst, a program of Community First Foundation and an online resource featuring Denver area charities. Since Community First Foundation pays for all credit card fees, Laradon receives 100% of all contributions. To learn how you can help, call (303) 296-2400 or visit the website at www.laradon.org.

In the Community

Elks Lodge #804 continues its effort to support a variety of needs in the community. For example, the Lodge donated \$300 to Marcus Padia, a CSU biomedical science student who will travel to Nicaragua on an educational trip with Global Medical Brigades. During the trip, volunteers shadow doctors and are given the opportunity to work with patients in triage.

In addition, the Lodge donated \$500 to Centennial High School for its graduation ceremony. Centennial purchases two roses for each graduate to give out at the graduation ceremony. At the podium, each graduate names those who will receive the roses and tells why. They then leave the stage to present the roses. The donation is also used for caps and gowns for underserved kids and for a cake for the celebration.

Another \$500 was given to 28 Hours of Hope in support of child abuse prevention, bringing the total donation to \$1000 for this organization.

Starving Elks Concern King Soopers and Safeway

Lodge #804's phones were ringing off their hooks this past week as Secretary Joyce and Lodge Accountant Shelley tried to keep up with calls from King Soopers and Safeway corporate offices. It seems both of these companies recently witnessed a nosedive in sales. Upon further investigation, it was found that the drop off in sales was based on Lodge members not shopping at their stores and taking advantage of the 5 percent cash kickback to charitable organizations.

The Lodge front office staff assured the grocery giants that members were not in danger of starving but had temporarily lost their minds and not their appetites. The food moguls asked staff to pass this on and remind members that, to date, the Lodge has earned \$1,100.00 in cash from King Soopers. So far we haven't made enough purchases at Safeway to qualify, but if faithful shoppers get their carts headed back down store aisles and use their cards, they'll take advantage of this money making opportunity for Lodge #804. Stays tuned for an update next month and keep using those cards!
